San Andreas - Harbors & Navigation Code - HNC

Applicability

> This section applies to the operation of any marine vessel, including jet skis. Marine vessels must comply with all other codes except those codes which by their very nature can have no application.

01. Equipment

1. All equipment and lights on a vessel must be in working order.
2. All persons on a boat must have a life jacket readily available.
    a. Persons working on a boat near the edge of the vessel, or those on small personal craft must be wearing a life jacket.
3. All boats must be equipped with fire suppression equipment. A sprinkler system or fire extinguisher meets this requirement.

Violation of Harbors & Navigation Code 01 is an infraction punishable by a fine of $275.

02. Restricted Boating Areas

> Boats may not operate in any of the following areas:

1. Within 500' of Fort Zancudo or Los Santos International Airport.
2. Any area marked for swimming or marked not for entry by boats.

Violation of Harbors & Navigation Code 02 is an infraction punishable by a fine of $1,000.

03. Speed

> Boats may not exceed 15 miles an hour within a harbor or marina or within 500' of a beach.

Violation of Harbors & Navigation Code 03 is an infraction punishable by a fine of $350.

04. Boating License

> All persons operating a marine vessel, excluding jet skis, must possess a Valid San Andreas Boating License from the San Andreas State Parks Division of Boating & Waterways or a Captain's License from the United States Coast Guard.

Violation of Harbors & Navigation Code 04 is an infraction punishable by a fine of $500.

05. Alcohol Rules

No person may operate a marine vessel under the following conditions:

1. Having had alcohol within the last 8 hours.
2. With a blood alcohol level over 0.04 percent.
3. Under the influence of any drug contrary to safety.

Violation of Harbors & Navigation Code 05 is a misdemeanor punishable by a fine of $10,000 and suspension of his or her boating/captain's license for 3 days and 60 seconds imprisonment.
